

Whirlpool

Extraordinary range for
extraordinary care, everyday

RANGE 2025

About Whirlpool

The Whirlpool Corporation is an American multinational manufacturer and marketer of home appliances. It's one of the largest appliance manufacturers in the world and is recognized for producing a wide range of products for household use. Whirlpool products are known for their reliability, durability, and innovative features. The brand has been a household name for many years and is often recognized for its commitment to providing quality appliances for everyday use.

The Whirlpool logo, featuring the word "Whirlpool" in a bold, black, sans-serif font. A yellow swoosh, resembling a stylized swirl or a checkmark, is positioned over the letters "i", "r", and "l".

About Laxmi Electrotech

LET was founded to create a leadership position in consumer durable industry and setup benchmark for sales process standard and after sales service. LET is committed to offer the highest customer satisfaction in Nepal both in Sales and Service process.

The logo for Laxmi Electrotech (LET), consisting of the letters "LET" in a bold, orange, sans-serif font. The letters are stylized with thick strokes and are arranged horizontally.
